The Story

Magician and entertainer Roger Boucher has been delighting audiences across Canada for over a decade. His unique mix of mind-blowing magic, wit, and charm draws you in and keeps you captivated. From unbelievable card effects to stunning routines using a variety of simple, everyday props, Roger has something for everyone, performing for such intimate events as the Saskatoon Festival of Trees Father-Daughter Gala, to the province-wide telethon Kinsmen TeleMiracle! He is highly interactive and always hilarious. In 2008, he and his wife, Adreanna, raised the bar by producing their very own stage show which includes large scale illusions. As a way of giving back, Roger has supported the Ronald Macdonald House and the Canadian Cancer Society. His ambition is to bring this unique show to all of Canada. It is a great addition to any corporate event, telethon, or show of any size.
